Membership Dues

NAJAS dues are annual and based on total budget under the following categories:

<u>Budget</u>	<u>Dues</u>
\$0 - \$49,999	\$600
\$50,000 - \$99,999	\$1,200
\$100,000 - \$199,999	\$2,000
\$200,000 - \$599,999	\$3,500
\$600,000 - \$999,999	\$5,000
\$1,000,000 - \$1,999,999	\$7,500
Above \$2,000,000	\$10,000

Dues are determined annually, based on the lower of the most recent two years' revenues on line 12 of the JAS' Form 990. For 2014 we have used the most recent publicly available Form 990 on guidestar.org. We understand that there is a delay between your filing date and the Form 990 becoming available for public view. If you have a newer Form 990 as of the invoice date and would like to use it as the base of dues calculation, please contact us immediately.
