Membership Dues

NAJAS dues are annual and based on total budget under the following categories:

<u>Budget</u>	<u>Dues</u>
\$0 - \$49,999	\$600
\$50,000 - \$99,999	\$1,200
\$100,000 - \$199,999	\$2,000
\$200,000 - \$599,999	\$3,500
\$600,000 - \$999,999	\$5,000
\$1,000,000 - \$1,999,999	\$7,500
Above \$2,000,000	\$10,000

Dues are determined annually, based on the lower of the most recent two years' revenues of the JAS' Form 990. We use the most recent Form 990 publicly available on guidestar.org. We understand that there is a delay between your filing date and the Form 990 becoming available for public. If you have a newer Form 990 as of the invoice date and would like to use it as the base of dues calculation, please contact us immediately.
